

Montana State Employees Charitable Giving Campaign
September 30 to November 8, 2013

2013 Fact Sheet

The Montana State Employees’ Charitable Giving Campaign is an annual fall event administrated by the Department of Administration in accordance with the provisions of Section §2-15-122, MCA. It is the once a year opportunity for Montana State Employees to contribute to nonprofit charities at the workplace.

This year the theme was “Green in “13” as we practically went paperless and cut more than \$5,000 of campaign overhead costs by not printing a giving guide.

Since the first State Employee Charitable Giving Campaign in 1991, Montana state employees have given \$6.7 million to help nonprofit organizations. And these generous donations have made a positive impact on our communities.
